

Dear Parents,

We hope your summer is going well and we trust that you are looking forward to visiting day, Sunday July 23 – 29 Tammuz from 12:00 PM – 6:00 PM.

Here is all the information needed for visiting day at YSP.

Our address is 226 Sussex Ave, Morristown, NJ.

For those that are unable to visit your son please note that we have a full, fun packed schedule planned for them, including taking them off camp grounds.

All counselors and teachers will be available and would like to speak to you about your son's progress. We strongly encourage all visitors to stay here on YSP's grounds so you can spend time speaking with your son's counselors, visiting your son's dorm room and classroom. Your son's counselors and learning teachers devote much time and effort into ensuring your Talmid has an amazing summer. To show appreciation to the counselors and learning teachers for doing such a wonderful the suggested tip amount is \$30.

For parents with children on special diets and medical care, please show appreciation by tipping the responsible parties. Our kitchen chef has taken much care into making sure that your children receive their special food. Our infirmary manger has been making sure that your son's medical needs are taken care of in a sensitive and responsible manner.

If you will not be able to make it for Visiting Day but would like to tip your son's staff, this can be done online by clicking the following link: <http://www.yspmorristown.com/visiting-day/tip/>

Before leaving the YSP campus, you must sign your son out at the front office and he must be signed in upon return.

The campus has a few playgrounds and sports fields that will be open to all visitors. The canteen will be selling hot food, along with the standard nosh and soft serve ice cream.

Looking forward to seeing you there,

On behalf of the YSP Staff and Talmidim.
